Incurred expenses must be accompanied by receipts. This does not apply if Baggage is delayed after the Insured reaches his/her Return Destination.

## MEDICAL EXPENSE BENEFIT

The Insurer will pay this benefit, up to the Maximum Limit shown on the Schedule of Benefits. The Insurer will pay for Medical Expenses incurred by the Insured within one year from the date of Injury or Sickness provided initial treatment was received during the Trip. The Injury must occur or Sickness must begin while the Insured is covered by the policy.

**Covered Expenses:** The Insurer will pay the Insured’s Reasonable and Necessary medical and surgical expenses. The Insurer will pay emergency dental treatment only during a Trip. Dental coverage does not apply if treatment or expenses are incurred after the Insured has reached his or her Destination, in the case of a one-way ticket, or Return Destination regardless of the reason. The treatment must be given by a Physician or dentist. The Insurer will pay for professional nursing, Hospital charges, X-ray, ambulance services, and prosthetic devices.

If the Insured is covered by any other group, blanket health, accident insurance, or assistance plan, and would, as a result, receive total benefits in excess of the expenses actually incurred, the benefits will be reduced by such excess.

This service will be arranged only if the Insured’s Physician determines that adequate medical treatment is not locally available; (b) up to \$5,000 for Reasonable and Necessary escort expenses required by Insured, if the Insured is disabled during a Trip, and an escort is recommended, in writing, by the attending Physician; (c) Reasonable and Necessary services for transportation of the Insured’s remains to his/her place of residence if he/she dies during a Trip. Services must be provided by a provider designated by the Insurer.

**Additional Benefit:** In addition to the above Covered Expenses, if the Insurer has

previously evacuated an Insured to a medical facility, the Insurer will pay his/her airfare costs from that facility to the Insured's Return Destination, within one year from the Insured's original Trip Completion Date, less refunds from the Insured's unused transportation tickets. Airfare costs will be economy, or first class if the Insured's original tickets are first class. This benefit is available only if it is not provided under another coverage in the policy.
